

It costs nothing and could save you a lot

Take advantage of Paul's vouchers

HUNDREDS of people in Mid Sussex are snapping up an offer to help ease current financial burdens and support local businesses.

They have accepted most of the 10,000 sets of saving vouchers being given away by Hassocks company boss Paul Bate.

So far more than 20 schools are among those who have taken up the offer of the vouchers, which usually cost £34.95 a set, from Paul's firm Executive 100 Ltd. Oakmeads Community School in Burgess Hill is one of the schools.

Paul said: "Over the last five years I have dedicated my time to help local businesses get customers through their doors and finding ways to help local families save money.

"One very successful way that I have managed to do this is in producing local Community Saving voucher sets.

"We have decided to give away approximately 10,000 voucher sets which we have recently distributed freely throughout the local Mid Sussex area.

"Each voucher sheet, which specifically aims at encouraging local residents and families to

stay local and support their local businesses, can save up to £1,500.

"The voucher sets are distributed through local businesses, information centres, schools and local events.

"So far more than 20 schools in the Mid Sussex area have ordered voucher sets to give to every pupil and staff member.

"They recognise that it both gives families great ideas for things to do with the children over the holiday times and helps them save money, which is especially relevant now in the current credit crunch climate."

Greg Ashman, of Hair Essentials, Burgess Hill, said: "I'd advise any business owner to try it and see the results for yourself. We consistently have well over 100 new customers each time the vouchers come out."

A few hundred sets are left and can be claimed by logging onto www.communitysavings.co.uk and clicking the £1,500 of FREE Vouchers tab.
